Re: Small Mining Operations Transfer of Notice of Intention, Park Valley II, S/003/009, ML 46137, Box Elder County, Utah

Dear Mr. Bown:

The Division has approved of your transfer request received January 14, 1994 for the Park Valley II small mining operations located in the NW/4 NW/4 of section 2, T13N R14W, SLBM. The transfer is effective as of February 18, 1994. A copy of the signed transfer form is enclosed for your records. Our understanding is this operation is now transferred from you to William Bown as sole operator, and you are no longer associated with this operation. The original notice contained no variance requests, therefore, no variances are transferred. Future Division correspondence for this operation will be directed to William Bown.

I would like to schedule an inspection of this site sometime in April 1994, weather permitting. I will be contacting William Bown during the last part of March 1994 to coordinate an inspection date and time.

Please contact me if you have any questions regarding this transfer.

Sincerely,

A handwritten signature in cursive script, reading 'Anthony A. Gallegos'.
